The Pregnant and Parenting Teen Program

Thank you for your interest in volunteering at The Society for Support to Pregnant and Parenting Teens. Your generosity is appreciated! There are just a few small things to get out of the way before you can be an official volunteer at our centre.

For the safety of the children in our nursery, we require you to get a criminal record check done. A form has been provided for you to take to the RCMP so that they can conduct the check. Along with this form you will also need to take along two government issued identification. One must contain your photo.

Secondly, you must get a child welfare check done. You can fill out a form and submit it at Children's Services. Once these forms are completed and returned to you, you can bring them into the centre and we will get you set up for volunteering.
